

NPSD Educational Foundation Report May 17, 2012

It's that time of year when the Foundation has the honor of telling North Penn staff that their grants have been accepted. Recently, Foundation Trustees reviewed 40 grant applications. Of those proposals, approximately \$17,000 of innovative projects will be funded. I want to thank all of the teachers and staff who submitted grants for the 2012-2013 school year. Your work is above and beyond expectations and your commitment to student success is to be commended.

It is important to note that the \$17,000 worth of funding would not be possible without the support of a generous donors and the participation of our community in Foundation fundraisers. Our next big event is the Foundation Golf Classic which will be held August 20th at Pinecrest Country Club. Both golfers and sponsorships ranging from \$100 to \$3,000 are needed for this event.

Other Foundation fundraisers in the works for next year include charity luncheons at Bacco in October and at Texas Roadhouse in February. And what we are very excited for is a Silent Auction & Gala which we are in the initial stages of organizing for the spring of 2013. More information on these three important events will be available in the new school year.

The Foundation is also working on how it can better celebrate the staff members who receive grants and the wonderful projects they implement. It is working on creating some sort of display for the ESC that can highlight some of these grants and educators.
