

Support Services Committee

October 18, 2012

John Schilling

The Support Services Committee met on September 20 and discussed the following:

- Punch lists and Contract closeouts for the North Wales and General Nash Elementary School Renovation Projects.
- It was reported that the NPHS Hot Water Heater Replacement project has been completed.
- The Inglewood Elementary School Renovations and Additions Project is in full construction mode. Phase 3 was the bulk of the work that was completed this summer and was substantially complete before school opened on September 4. Punch list items are being completed on that Phase and Construction continues on Phase 2. Phase 2 is a six classroom renovation that is not currently in use. Phase 2 is expected to be completed earlier than projected.
- The committee heard updates for:
 - Issues concerning the NPHS Natatorium.
 - An Energy update highlighting possible performance contracting methods.
 - A report on beginning of the year Transportation items.
 - Two requests from Montgomery United Soccer Association.
 - A tour of Montgomery Elementary School to give the Committee an overview of Building condition.

The next meeting of the Support Services committee is scheduled for Monday, October 29 at 6 p.m. at the **Inglewood Elementary School**.
