North Penn Knights Catering Guide

The School Nutrition Services Department provides an array of catering services. This brochure is designed to help us serve you better and to familiarize you with the services School Nutrition Services provides to North Penn School District and its community. The enclosed suggestions can assist you in planning an event. Please note that the ideas offered in the catering guide are merely suggestions, any special event can be customized to meet your specific needs. It would be our pleasure to design a menu for your special event. The prices shown here include service for preparation and pick up orders. If you need our personnel to serve and clean up, additional service charges will be applied.

If you have any questions about the guide, menu or the preparation methods, we would be glad to provide you with that information.

This guide is available on our webpage.

Please call our office or visit our webpage for a Special Request Form.
